

Diamonds In Development Program

The Diamonds In Development Program is geared toward girls ages 4 - 9 years old and offers monthly educational and entertaining activities. The purpose of the program is to build self esteem, character, faith and friendships and to build a strong foundation. Diamonds In Development (DIDS) offers monthly activities for members and parents including:

- **Character building workshops***
- **Community service projects**
- **Craft activities**
- **Fieldtrips**
- **Reading club**
- **Special events**

NEW!

Membership Options: In an effort to meet the unique needs of parents and families, DIDS is now offering two levels of membership for participation, **General member and DIDS Premiere membership**. Both levels offer parents a unique networking opportunity to share resources and information among parents of like aged children; private invitations for member only events, special fieldtrips, and other membership discounts and perks. However as a DIDS Premiere member, your daughter will participate in character and leadership workshops offered monthly throughout the year. We hope that with two options, families will be able to select the membership option that best suits their schedules and other commitments while still engaging their daughters in the many benefits of our organization.
